

It's Party Time!

Shoes

GIRLS: White or pink canvas ballet slippers painted and decorated to match your dress. Sometimes there is a match in the costume bin, if not, please submit shoes for decoration in the TYB lobby during costume week. Paint can make the shoes shrink a bit, so buy a half size larger if in doubt.

BOYS: Black ballet or jazz shoes

Hair

GIRLS: Pull into a neat bun (no wispies!) using gel or hairspray. This is best done at home. Then attach curls at the theatre. Please be considerate using hairspray in the dressing room! Fasten with bobby pins in an "X" formation. Bangs or no bangs is up to you! Wigs can be found at <http://www.cheerleaderhairpieces.biz> or at Sunny's Beauty Supply on University Drive in Durham. Start looking early to ensure curls by picture day November 16!

BOYS: A smooth and neat french braid (no wispies!) tucked under at the nape of the neck and fastened securely. Again, this is best done at home before the performance.

Costumes

Red Cast is responsible for their costume. Wear a nude or light colored leotard under your costume. Please be considerate to the costumes and your costume share partner and wear deodorant, even if you don't think you need it. Costumes are precious, and costly to replace. They should always be promptly put back on a hanger, never on the floor or draped over a chair. Never eat or drink in costume, always cover up. Take off the costume after each performance. Need some tailoring or a repair? Visit the sewing ladies in the women's dressing room backstage, or ask Melissa E.

Tights

GIRLS: Ballet pink tights

BOYS: White tights

Smile! You
are at a
PARTY!

Makeup

Party kids just need eye liner, blush, lipstick, and a touch of eye shadow. Need help? A junior or senior company parent will be happy to help! Just ask.

GIRLS: Red lipstick

BOYS: Brownish lipstick
